The Summer Term is usually crowded with important events, and this Term is certainly no exception. We feel that this Term has been the busiest possible. Owing to the measles epidemic of last Term the Gym. Competition and the Sports had to be postponed to the Summer Term.

Then came the Cadet Inspection, for which a tremendous lot of hard work was necessary. Never has there been a greater keenness. The O.C. and the Drill Sergeant were determined that No. 170 should excel themselves on "the day." When the results are forthcoming, we trust that all who strove so hard will be rewarded.

Now the Cricket League matches are in full swing, and the Eleven at present look like capturing first place.

All the above are outside attractions, for this is the Term when the candidates for the Navy, the R.M.C., the McGill and B.C. Matriculations are striving their utmost to satisfy the examiners. We wish all those who have laboured conscientiously the best of luck.

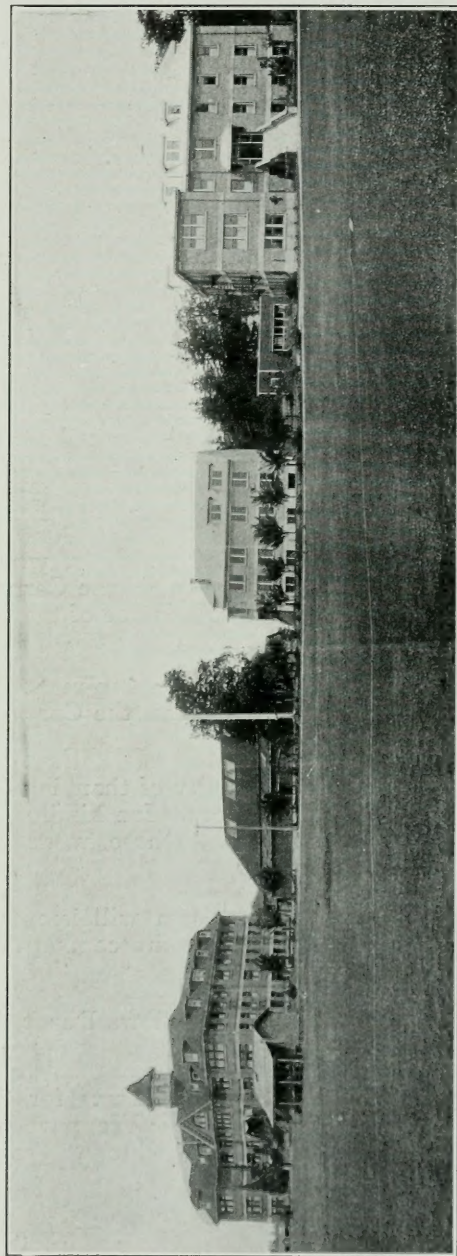

We shall have to say good-bye to several who will soon be taking their places by the side of those noble fellows who are at the front, and to these we wish the very best of luck. We shall follow up their doings and look forward to meeting them again when the war has been won and right is established.

SCHOOL NOTES

The following Boys joined us this Term:

BOARDERS—Ross i, Form IV., Edmonton.

DAY BOYS—Russell i, Form IV., Nagasaki.
Russell ii, Form IV., Nagasaki.
Summerhill, Form II., Victoria.

We congratulate Heggie i on his winning the Gym. Championship for 1918. He was the best of a very good lot.

We congratulate Mathews i on winning the Swimming Championship for 1918.

This is the first Swimming Championship of the School. We hope that great competition will exist each year, and that we shall produce some worthy swimmers.

The Public Schools of the City held a Cadet Field Day and invited our Corps to assist in the programme. We congratulate the Sergeant and Co. Ldr. Pelly on the excellent showing our boys made. The Company Drill was much praised. The Gym. Display was also excellent.

It was a pity a better place on the programme was not given to it, but we must remember **there are others.**

Best congratulations to Co. Ldr. Pelly, who took command on Inspection Day. Not only did the Corps excel itself but Pelly's work was splendid. He is one of the best captains the Corps has had.

The Sergeant and Sergt.-Major Shaw must be congratulated, for it is under their good tuition the Corps has reached its present excellent efficiency.

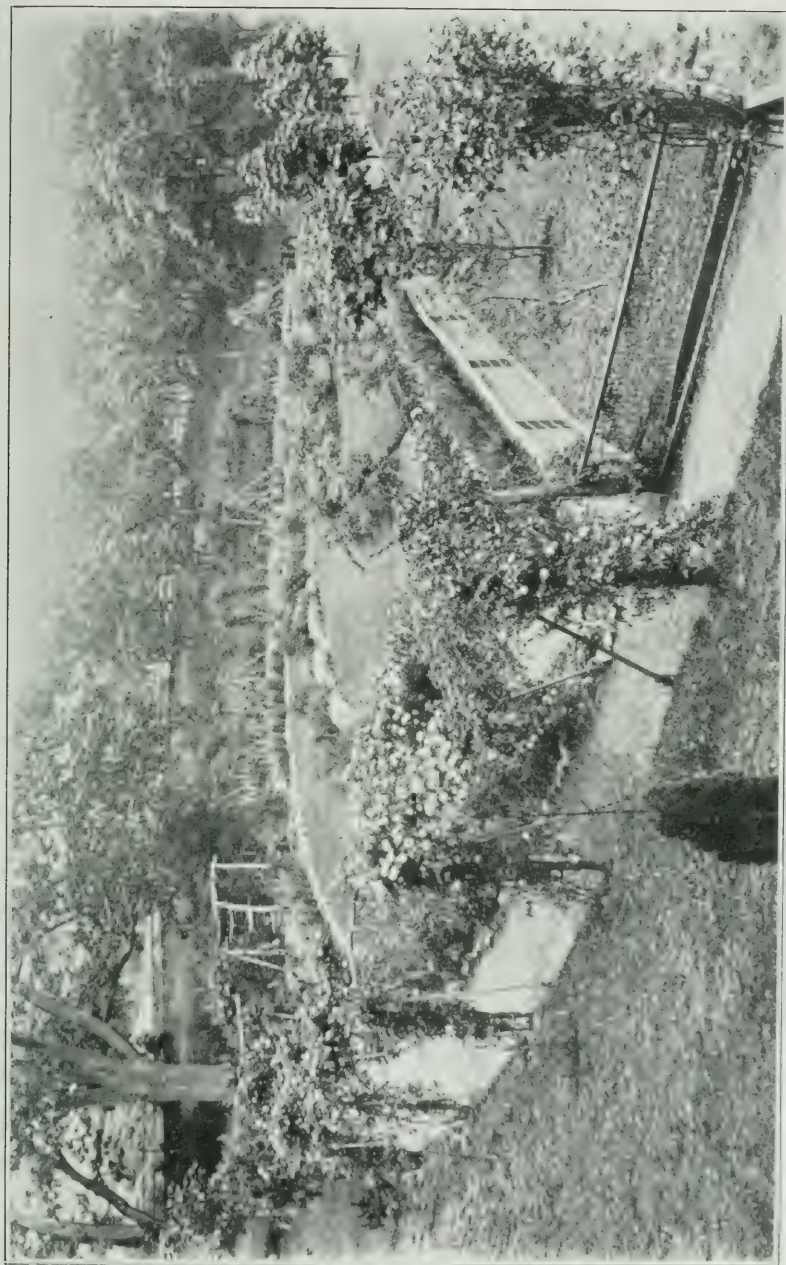

We would take this opportunity of thanking Sergt.-Major Jones, of the Army Medical Corps, for kindly devoting his time to the Ambulance Section, whose work came in for special praise at the Inspection.

We hope our Ambulance Team will keep up its good work, and come top in the approaching competition, which is open to all Cadet Corps in B.C.

We thank Col. Major, of the Willows Depot, for his kindness in lending us stretchers.

We hope to hold the Shooting Tests for the Imperial Challenge Cup in the near future. We have entered two teams—a Senior and a Junior. Good luck to them.

This year we have only one candidate for R.N.C. exam.—Nixon; and one candidate for R.M.C.—Alexander. May they be successful.

THE WARDEN'S GARDEN

THE ANNUAL SPORTS

KING FLIES AWAY WITH—

The Athletic Sports were held on Saturday, June 8th. In spite of the uncertain state of the weather, a large gathering of parents and friends was present. The rain held off and the afternoon proved ideal for running. About four o'clock the light was weird and almost twilight, owing to the eclipse of the sun. The events were carried through punctually and without a hitch. Two records were broken: King i did the Half Mile in 2 mins. 16 secs. It has taken ten years to beat Tom Brown's record of 2 mins. 21 secs. Bonar lowered the record in the Quarter Mile under 16. His time was $60\frac{3}{5}$ ". Kingsley Hart previously held the record with 61" in 1913.

THE CHAMPIONS

When the points had been totalled it was found that Pelly i had captured the Senior Championship with sixteen points. King i was runner-up with fifteen points.

Dawson won the Junior Championship with twelve points. Albert was runner-up with six points.

The following kindly acted as officials:

Starter—Sergeant Mathewson.

Judges—Alex. Martin, Esq.; J. Wenman, Esq.; Rev. C. Swanson, and Sergt.-Major Jones.

Timekeeper—L. G. Tolson, Esq.

SPORTS' DAY, 1918

PRESENTATION OF THE PRIZES

Mrs. S. F. Tolmie very kindly presented the medals. Dr. Tolmie, M.P., then gave a short address. He congratulated the boys on the successful afternoon. He felt sure that the boys would be in fine shape physically to do their "bit" as "sons of the soil" when the holidays came. He reminded them of the importance of everybody's assisting during these strenuous times. He said the School's record for the War was one to be proud of. He could not help thinking of the great work to be done after the War. All the boys present would undoubtedly take a hand in this work of reconstruction, and it would need men very capable in every way, and from what he had seen and heard this afternoon the University School was preparing the right kind of material. In conclusion, he wished the School every success.

Mr. Bolton replied, thanking Mrs. Tolmie and the Doctor for their kind presence. He also thanked everybody for their assistance, and the parents who had liberally subscribed to the Sports' Fund.

SPORTS' DAY, 1918

At the annual meeting the following officials were chosen for 1918:

Captain.....F. S. Shore

Vice-Captain.....R. D. Lennie

Hon. Secretary.....G. S. Lennie

Committee: Pelly i, Loughheed, Pelly ii, Heggie i.

Colours Committee: Mr. Barnacle, F. S. Shore and R. D. Lennie.

This year we have the following Colours as a nucleus for this year's Eleven: Shore, Lennie i, Lennie ii, Heggie i, Wenman i, Loughheed.

We expect to get matches with the City teams when they are not engaged in League Matches, in addition to the Junior League Matches.

This year there are three teams fighting for the Gillespie Shield, viz., the Collegiate School, the Five C's Juniors and ourselves. We expect Shore to carry off the honours. After holding that Shield for so many years, we should certainly miss it.

We congratulate Pelly i and Pelly ii, who have already been awarded their Colours.

We are able to report the following matches, which have already been played:

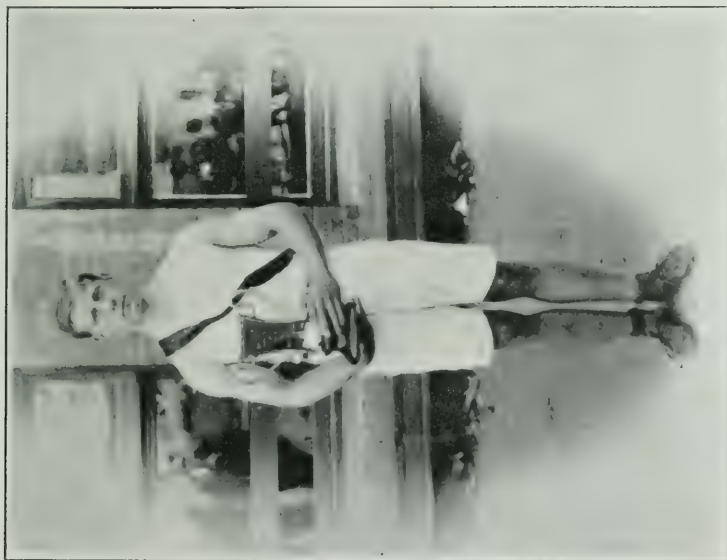

Lt-Col. Major's XI. vs. The School

The soldiers proved too strong for us. The season was too young to have to encounter bowlers like Sergt. Bloor and Col. Major.

1st XI. vs. The Five C. Juniors

This match was played on the Jubilee Hospital Grounds, and resulted in a win for the School. Wenman i batted splendidly and was only three short of the coveted 50 when he fell. Lennie ii made a very useful 25; his cutting was excellent. Our old friend Macey bowled well for the Five C.'s, taking 8 wickets for 44.

1st XI. vs. The Collegiate (Return Match)

This match was played at the Jubilee Hospital Grounds, and resulted in an easy victory for University School. Lougheed had a merry time, and almost won the "50" bat; he fell when he had made 49. Hard luck! Wenman i and Heggie made 24 and 27, respectively. Wenman i was in great form with the ball, taking 8 wickets for 12 runs.

1st XI. vs. Mr. Parsons' XI.

This match was played on the School Grounds. The Eleven had already played a League match in the morning. The visitors were all out for 131, but that total proved too much for our batsmen; they were all out for 97. Things might have been different if Mr. Walton had not been in great form. He hit up 52 before he retired. Heggie i bowled well for a long time. Watson and Lennie ii played good, sound cricket.

THE GYM. COMPETITION

This Annual Competition was held on May 2nd. Sergt. Mathewson and Sergt.-Major Sulton were in charge, the latter awarding the marks.

THE CADET CORPS, 1918

The first half of the programme consisted of Military Physical Drill done as a class. It was excellently done. The second half was work on the apparatus, including original stunts. Altogether it was a fine programme, and the Sergeant and his class deserve great praise.

The excitement was intense whilst the marks were being added up. Everybody present seemed to be selecting a different champion.

At last the champion for 1918 was proclaimed to be Heggie i, who therefore becomes the holder of the Croft Cup and the winner of the championship medal.

The following won places on the Gym. VIII. for 1918: Pelly i, Pelly ii, Dunkerley, Heggie i, Albert, Shaw, Mathews ii, Heggie iii.

SWIMMING COMPETITION

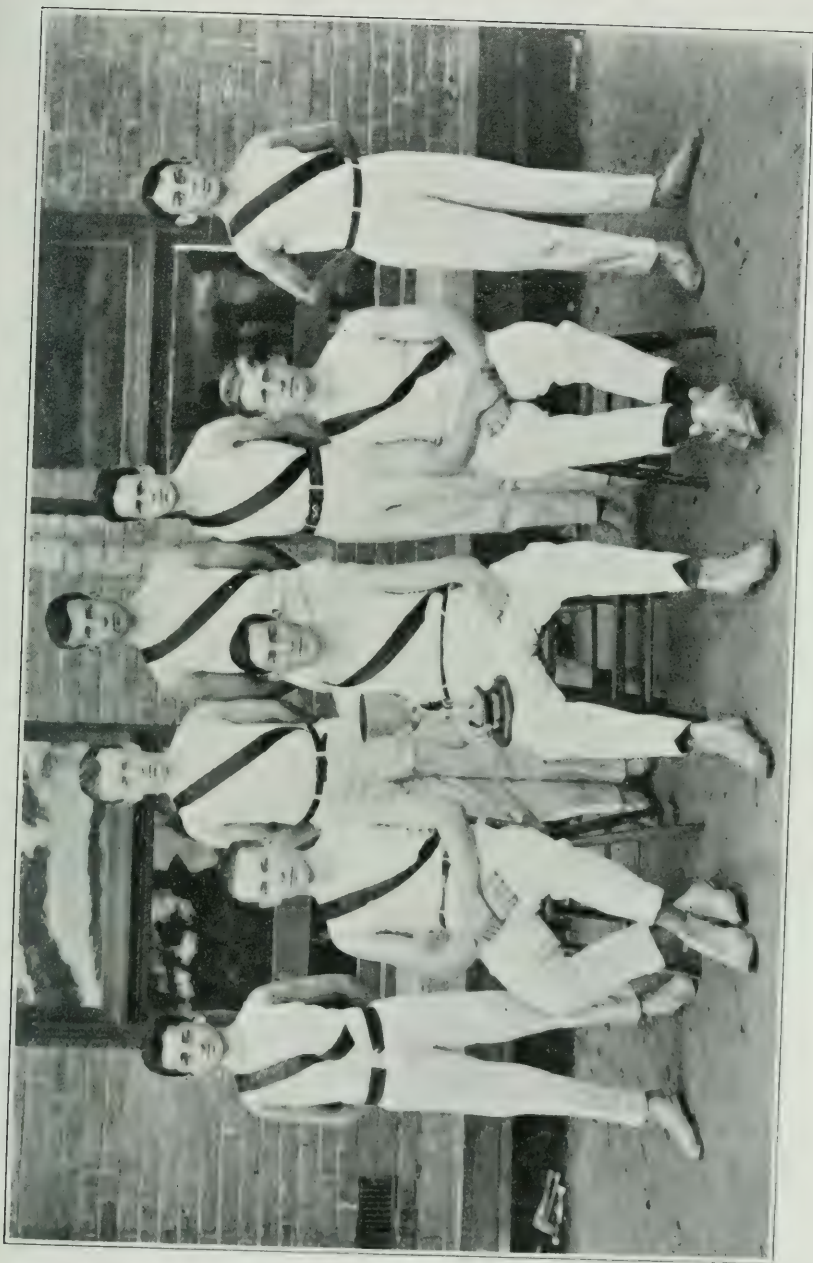

HEADS AND TAILS

Since the School has been able to secure the use of the Y.M.C.A. baths, much keenness in this sport has been evinced. There are now many good swimmers. It was decided to hold a competition for the Championship of the School. The competition took place at the Gorge, and was one of the events at the Red Cross Aquatic Sports.

The event was a 50 Yards Dash, open to the School, and Mathews i captured the championship. He swam very well, and considering his rivals were much older, he deserves great credit. It was a fine race, all being close together at the finish.

The following competed: Mathews i, Mist, Shaw, Dawson, Pelly i, Mathews ii, and Heggie i.

In view of the approaching Annual Inspection, the Cadet Corps were ordered to do two drills per week.

There was great keenness permeating the whole corps; everybody was determined to do his little bit towards making the whole corps the most efficient in B.C.

Sergt. Mathewson and the Company Commander spared neither time nor effort. All the different branches of drill were practised: Company Drill, Squad Drill, Extended Order Work—nothing was missed.

The Signalling Squad was practising and an Ambulance Section was formed. For the latter we have to thank Sergt.-Major Jones, of the C.A.M.C., for kindly coming up and giving his valuable aid and instruction.

OFFICERS AND N. C. O.'s, 1918

LEFT TO RIGHT: 1. Cpl. Greenwood, 1. Cpl. Marcio, Sgt. Alexander, Sgt. Shore, Sgt. W. G. Hoggie, Sgt. Watson, Cpl. Mathews, Cpl. Reid, 1. Cpl. McNeill.

As the time drew near, it was felt that for the last week a drill every day would help to review everything.

The Annual Inspection

The Inspection took place on Friday, May 31st. Major Belson, the Inspecting Officer, accompanied by Capt. St. Clair, arrived on the stroke of 3 o'clock. The Corps was then put through the following programme:

1. General Salute.
2. Examination of Ranks.
3. March Past.
4. March round the Field—in Fours—with Band in lead.
5. Company Drill.
6. Rifle Drill.
7. Squad Drill.
8. Extended Order Drill.
9. Attack—Ambulance Unit collect Wounded.
10. Ambulance Stretcher Drill.
11. Signalling.

The Inspecting Officer was keen to see everything, and the Corps went through a most searching examination.

At the close, Major Belson gave a short address. He complimented the Corps on the work of the afternoon. The Company Drill and the Ambulance Work came in for special praise. The Squad Drill was not up to the standard of the Company Drill, and he felt that during "the attack" many of their own men would have lost their lives. The Band was in great form and pleased the Major.

We would like to congratulate Capt. Pelly on the work of the afternoon, and especially his efficiency as O.C.

Lieut. G. S. Lennie deserves great praise for the good work of the Band, which he has trained so conscientiously.

And we cannot close these notes without complimenting Sergt. W. G. Heggie for his excellent work in the Orderly Room.

Cadet Field Day

All the Corps of the City assembled on Empire Day and marched to the Royal Athletic Grounds, where a great programme of events was given.

The different Corps gave exhibitions of Drill, Military Gymnastics, Pyramids, etc.

Our Corps gave an excellent exhibition of Company Drill, which earned much praise. The High School gave a smart exhibition of Company Drill, followed by some Physical Drill.

THE SHOOTING X., 1918

The programme was too long, and when our Corps was called upon to do their Physical Drill and Pyramids the afternoon was far gone, and so were most of the spectators. However, Sergt. Mathewson took charge and the boys gave a very fine exhibition, which certainly deserved a better position on the programme.

Some snaps of the Pyramids will help to give an idea of the work done.

The idea of a Cadet Field Day is most excellent, and we hope the affair will be an annual one.

NOTES FROM THE BUTTS

Miniature Shooting usually closes at the end of the Easter Term. However, in view of the Imperial Challenge Shield Competitions, some 24 Probables continued to practise under Sergt. Mathewson.

The following was the team selected to represent the School for the Seniors: Pelly i, Shore, Watson, Pelly ii, Wilson, Shaw, Mathews ii, Mathews i, and Lennie ii. Pelly i was elected captain.

The following scores were made:

Watson	63	Pelly ii	45
Shore	61	Wilson	44
Mathews i	58		—
Mathews ii	57	Total	487
Pelly i	56		—
Shaw	55	Average	54.1
Lennie ii	48		

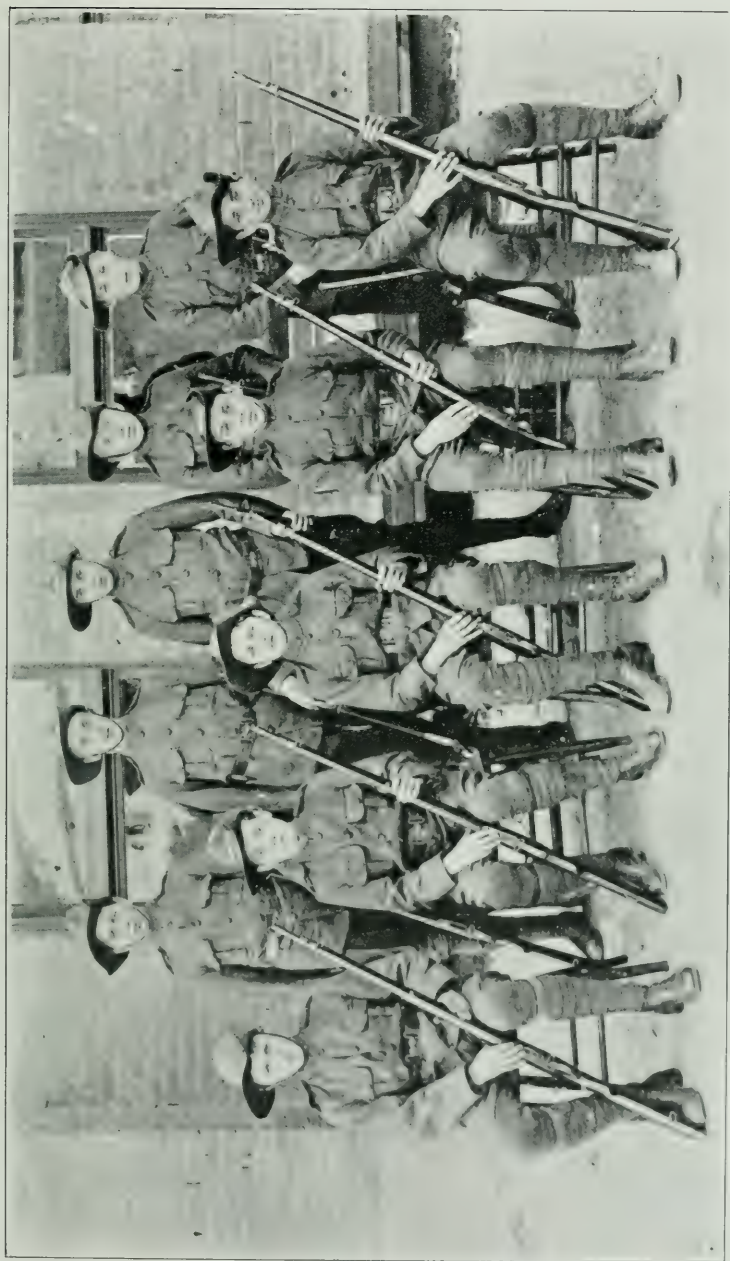

We know that much better results would have obtained had it been possible to practise on smaller targets.

The following was the team selected to represent the School for the Juniors: Hill i (Captain), Bull, McNeill i, Wenman i, Heggie ii, Gardner, Albert, Kent i, Adamson i.

The following scores were made:

Hill i	62	Kent i	28
Wenman i	62	Adamson i	26
Gardner	59		—
Albert	56	Total	440
Bull	51		—
Heggie iii	49	Average	48.8
McNeill i	47		

The following have been awarded their Shooting Colours for 1918: Pelly i, Shore, Watson, Pelly ii, Wilson, Shaw, Mathews ii, Mathews i, Lennie ii, and Heggie ii.

THE JUNIOR SHOOTING X., 1918

Scouting has been at a low ebb this summer, owing to the incursion of other affairs. The steady, extra drilling for the Cadet Display, and later for the Inspection, took away most of the bigger boys, all the Patrol Leaders and Assistant Scoutmasters. The regular weekly meet has been held as far as possible.

On May 24th, eighteen Scouts went with Mr. Swanson for a "hike." The trek cart was loaded with supplies, and we made the best of our way to Prospect Lake.

What if we took a wrong trail and had to haul the cart over ploughed fields and fences! It was all the more real. The day was spent in swimming and eating (?) and it was a weary crowd that footed it home in the evening.

Not even the most convincing limp of Mathews ii, nor the more genuine one of McKay were sufficient to penetrate the hard hearts of the owners of big empty automobiles. Fortunately, however, the youngest had a splendid "lift" homewards. It was, we believe, a thoroughly enjoyable day.

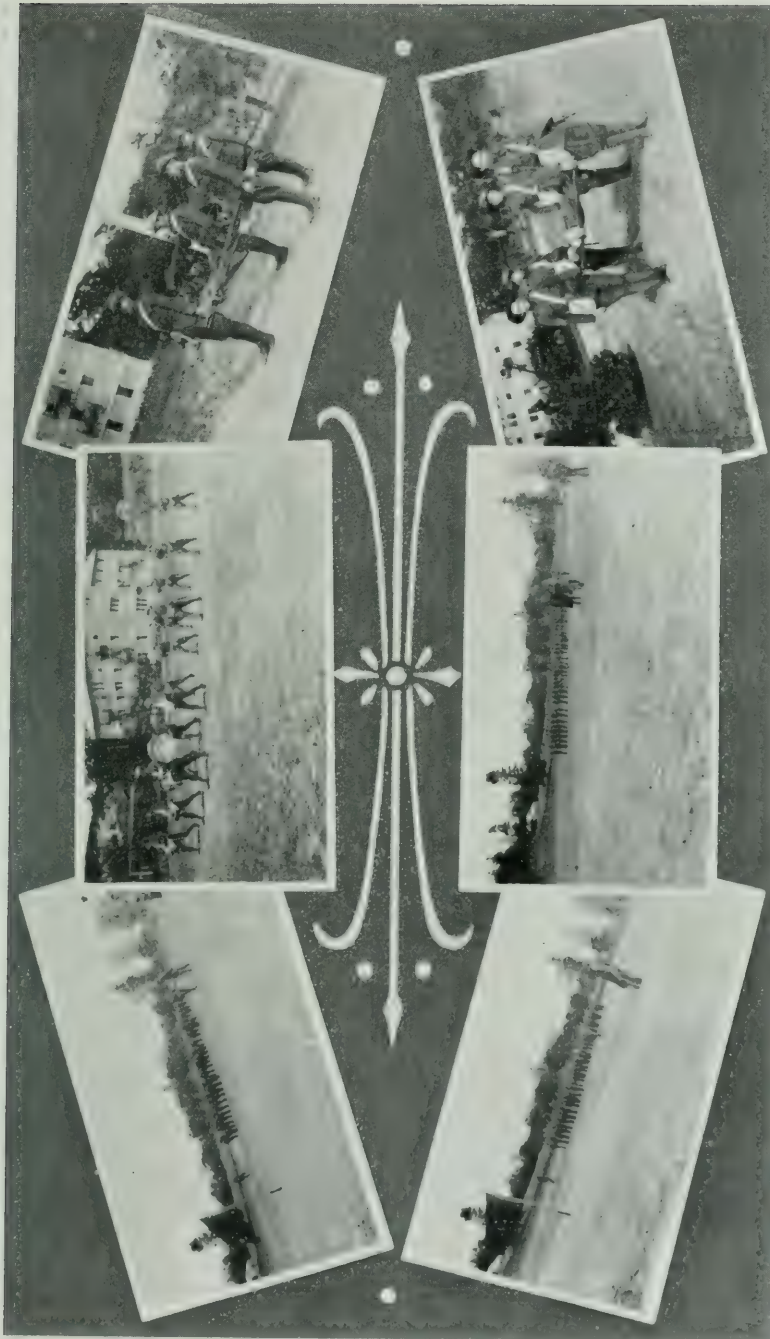

On June 20th, the day's meet consisted of a tramp through the H.B.C.'s territory behind Mount Tolmie to Cadboro Bay. It was a scorching day, and the water looked cool and inviting. "Verb. sap. sat.," which, for the benefit of the Third Form, means, "a word to the wise is sufficient."

Don't slack; there are three or four fellows who find it terribly hard to bestir themselves to do anything.

Signalling is "a bore"; a "hike" is "too much like work"; swimming is "too much trouble"; in fact, anything is.

The Scouts have no use for this sort of thing. We want keenness in everybody. It is the only way to make things go well—not in Scouting only, but in everything connected with life.

CADET CORPS INSPECTION, 1918

THE CAMERA CLUB

This Club came to life again last Term, and with the coming of summer a good deal of interest in the Club was shown, the result being that a prize was offered for the best series of three photos. This prize was won, after a keen struggle between Heggie i, Watson and King ii, by Heggie i.

It is hoped that these competitions will be continued, and that in the near future a high standard of photography may be attained.

OLD BOYS' ASSOCIATION

This Association was founded in 1915 for the purpose of promoting intercourse and good-fellowship amongst our Old Boys, strengthening the ties between the past and the present and furthering the general interest of the School, by the preservation of a corporate College feeling.

All Old Boys and Masters are invited to become members.

The Annual Dinner is held after the Football Match on the second Saturday in February of each year.

A meeting of the Committee is held annually on the same day as the dinner, when the financial account of the year is presented to the Committee. Reports of the meetings appear in the School Magazine.

Every member is supplied with the "Black and Red," which appears once a term, and also with an invitation to the Athletic Sports, etc.

The Annual Subscription is \$1. due on the 1st September, and payable in advance to the

Rev. W. W. Bolton, M.A., Warden,
who has kindly undertaken the Secretarial duties during the War.

OLD BOYS' COLUMN

P. Kerfoot. We are glad that "Percy" is at last out of hospital and on the way to recovery. He certainly had a bad time.

Lieut. Kilpatrick and Mrs. Kilpatrick paid us a visit during the Easter holidays. We hope our "Kil." will soon be himself again. He seemed glad to visit the scene of his many Championships.

Lieut. Noel Bagshawe. We were glad to learn that Bagshawe was alive and well after six days' desperate fighting with the famous 51st Division, which made such a heroic stand against the Germans during the great Hun offensive in March last.

Lieut. H. Sidney Morton, R.F.C., after his training at Camp Borden and in England, is now in France.

Capt. A. G. Woodward, R.A.F., paid us a visit during the few weeks' leave in Victoria. He has done splendidly. He had the honour of leading the bombing attack on the Goeben and Breslau. He is just the same "Gerald"—as modest as ever.

Lce.-Cpl. H. Thurburn. We congratulate Thurburn on his first stripe. We predict a rapid promotion; he is keen on his work. [Since writing this, he is now a Corporal and has left for England with a Draft.]

Sergt.-Major Appleton. Appleton came up to the School to say good-bye and au revoir prior to his leaving with a Draft from the Willows Depot. We congratulate him; we think he was the youngest Sergt.-Major to leave Victoria. Appleton has passed his Lieutenant's examination, in which he did well. We are sure he will not have to wait long before he is awarded his commission.

Mr. Dobson paid us a visit prior to leaving for Toronto, where he will train for the R.A.F. He seemed delighted to have his chance. We wish him good luck and a safe return.

Gnr. Sidney Bayne. We were very sorry to learn that Bayne was seriously ill in England. We hope by this he is on the highway to recovery.

Flight Lieut. Duke. We were very sorry to hear that Duke had been wounded whilst on aviation duty on the West Front. May he soon recover.

J. R. Kingham. We congratulate Kingham on his winning a Scholarship at University of B.C., where he has been studying since his recovery from his wounds.

Lieut. Alex. Young, R.A.F. We hear that Young was in the daring raid on Zeebrugge. We are proud of all those who were engaged in that affair. It will live long in annals of Naval warfare.

Lieut. S. Byrn, R.A.F. We were very sorry to learn that Stavert had suffered very serious injuries in an accident whilst instructing at Toronto. Byrn had just returned from Texas, where he had been instructing. We do hope he will soon be whole again.

Lieut. Alan Fraser, R.A.F. Alan paid us a visit during his short leave in Victoria.

Lieut. Wende Tolmie, R.A.F. We are sorry that Wende has developed diphtheria during his short leave. We hope he will soon be out of Hospital and be fit again. He has been training in Texas.

Lieut. C. J. Holms, R.A.F., paid us a visit during his recent leave. He has been training in Texas. Cecil is now in England.

Lieut. Gerald Bolton. We hear that Gerald is back again in France. After recovering from his wounds he was Adjutant to his Regiment at Seaforth. He is with the famous 7th Battalion.

Lieut. W. S. MacKenzie, M.C. We congratulate MacKenzie on his new honour. He is the fourteenth Old Boy to win the coveted distinction. MacKenzie played "half" on that excellent 1914 team.

Lieut. K. Winslow, Aviation Section of the American Army. We had an interesting letter from "K.," who is instructing in the Panama district. He is dying to get away to the Front, and hopes soon he will be given his chance. He has accepted the invitation to the O.B.'s Banquet to be held at the "Empress" apies la guerre.

Capt. P. R. Wallis. We had an interesting letter from "Dick," who has just completed a Senior Officer's course. He expects to go to France again in the near future to his famous old 16th Battalion. We were glad to have the particulars of O.B.'s with which he furnished us.

Lieut. H. B. Hudson, M.C. We congratulate Harold on his winning the Military Cross. He certainly has not been

long in distinguishing himself. We have no particulars yet of his gallant work. Good luck to him.

Lieut. D. Inverarity, M.C. We were delighted to see Inverarity back from the front. He and Mrs. Inverarity—he is married now—came up to the School for a short visit. “Inver” has been badly gassed and certainly must have suffered. We do hope he will soon recover. His marriage was a great surprise. We wish them both much happiness.

Lieut. Beevor Potts, M.C. It was a great pleasure to see Potts again, he has been granted leave after recovering from his wounds. He and his sisters motored up to the School when Potts was reminded of his days spent here some years ago. We have vivid recollections of the late Captain Harvey, Potts and Shaw (of Nanaimo) taking a farewell “bite” and bath at the School in 1914.

THE O.B.'s GALLERY

Lieut. C. Loewen and Lieut. R. Hedley paid us a visit previous to their departure for England. They are both anxiously awaiting the time when their ages will allow them to join their comrades at the Front.

Lieut. P. Van Valkenburg wrote an interesting letter. He is training in Honolulu.

Major J. G. Tatlow, M.C. We have just received some information concerning Jack Tatlow's heroic death: “Detachments of all arms and nations were offering a bitter opposition to German forces immensely superior in numbers. These detachments were largely composed of dismounted cavalry troopers, and their behaviour was so heroic that it was described by a leading French General as the finest effort of the war. All this time there was no connected line of battle, but a series of detachments, each fighting independently to hold the enemy.” “Jack” and his squadron were part of those “dismounted cavalry troopers.” Our brave Tatlow was killed almost instantly by a machine gun bullet near his heart, at Chauny on the 24th March.

Dr. William S. Balcom. We were pleased to receive an invitation from “Balcom” to the ceremony when Degrees are conferred. We heartily congratulate Dr. Balcom on his success.

Lieut. C. H. Galer, R.F.C. We have just heard from Galer. He has transferred to the Royal Flying Corps. Good luck to him.

Capt. T. G. Thomas. We received an interesting letter from Mr. Thomas. He is with the 47th Battalion, and was through the Paschendaele fighting. He was with “Des”

Stanley when the latter was wounded. We are sorry to learn that Mr. Thomas has lost his baby son.

Mrs. Barnacle was pleased to receive the following photos, which now adorn the O.B.'s Gallery:

P. Belson, Lieut. Crispin-Smith, Lieut. C. J. Holms, Capt. A. G. Woodward, Lieut. R. L. Challoner.

THE PLAYFIELDS OF THE DEAD

Where yon grey mound lifts up his rounded head,
And earth and sea and air are one, combined,
Step gently o'er the playfields of the dead—
That turf with hallowed footprints is entwined.

For there in Youths' own halls, they lived their life;
'Twas there they learnt the noble and the good,
And there in games they fought their sportful strife
Who soon should fight in grimness and in blood.

A breed of heroes came from Tolmie's Hill
To fight for King and Liberty's sweet sake;
They died—and in their deaths they still
Hold up the untarnished shield for you to take.

For you, who now with shouts and sports' uproar,
That same mock warfare earnestly pursue;
'Tis yours to bear unsmirched the name they bore,
And live the life they lived—pure, bold and true.

Step lightly o'er the playfields of the dead;
That turf with hallowed footprints is entwined;
And every growing shrub or flowery bed
Is their memorial—is with them enshrined.

AT MIDNIGHT

Mr. Jones and Mr. Smith had been spending a few days fishing near a quiet village. One afternoon, Mr. Smith went to town, intending to return soon to his companion whom he had left behind. It was very stormy. That night the thunder crashed and the lightning played incessantly.

Inside the cottage all was quiet, not a thing stirred. Mr. Jones, having retired, had been kept awake by the noise of the storm, and was musing to himself what would happen if the cottage were struck by the lightning.

Suddenly he heard a queer, tapping noise on the window. A little later, a weird cry, by the side of the bed, made him jump; and all the chairs moved.

This was more than Mr. Jones could stand, so he sprang up and struck a light. But nothing could be seen, and he returned to bed and blamed his nerves for playing him such a trick. He was just dropping off to sleep when he heard a terrible howl by the side of his bed, and an object that was

white approached him. Also the chairs moved and the tapping on the window commenced. He jumped out of bed, yelling, and made for the door of his room. But before he reached it, something mysterious tripped him and he fell.

He managed to get through the door and, slamming it after him, he fell into the arms of the housekeeper, who wondered what on earth was happening.

After they had gained enough courage, they went to make an investigation of the noise. On carefully opening the door, what should they perceived but a white cat, running around with something tied to her mouth.

What happened was this: A minnow had been left on the fishing-line and the cat had swallowed the minnow and therefore got hooked. In trying to get rid of the hook, she had entangled the line around the chairs, and every time she gave a jerk, the chairs moved.

Mr. Jones had tripped over the line, and the weird noise was emitted by the cat. A piece of ivy, blown by the wind, made the tapping noise on the window.

When Mr. Smith returned he greatly enjoyed the story of the bogus ghost.

V. REID.

A MASTER'S TASK

I sit in my room by the starlight
And gaze at their flickering fires,
And I think of the task that his calling must ask—
Of the gifts that a Master requires.

The monotonous grind of the Classics,
Of just what the subjunctive shows;
The subtle relations in diverse equations,
The myst'ries of blank verse and prose.

We teach these; it's not that we love them,
But chiefly to discipline thought;
For the mind they evolve life's own questions to solve—
To follow a "should" by an "ought."

We don't aim at making a scholar,
But one with a mind of his own,
Who can find a solution to settle confusion
And rely on his judgment alone.

The manifold tasks of a Master!
To train an undisciplined mind;
Take the logic of facts and how each into acts—
Show how cause with effect is entwined.

So therefore, ye critics, be patient;
We work not for **now** but for **then**—
When our charges shall go and our training shall show
In the multi-form kingdom of men.
